

## ***Orchestral workshop and performance for double bass players***

A two hour workshop, of which the final twenty minutes is a performance, looking at some bass parts from the orchestral repertoire. This is an exciting opportunity to work on orchestral repertoire which is interesting for the bass and to prepare it in a section.

This **FREE** workshop and performance will take place on **Saturday, 8<sup>th</sup> March from 5:00 p.m. until 7:00 p.m.** at:

**Whipton Community Hall, Pinhoe Road,**

**Whipton, Exeter, EX4 8AD**

***The workshop is for a maximum of 10 players so be quick to book a place!***

The level of difficulty of the workshop will depend on the applicants but as a guideline from grade 5/6 upwards is best. I encourage younger players to attend and of course there is no upper age limit.

The workshop will be led by Joseph Straker, a 4<sup>th</sup> year classical double bass student at the Guildhall School of Music and Drama.

I intend to video record the workshop and performance as part of my degree. To book your place or request further information e-mail me at: [heiman@hotmail.co.uk](mailto:heiman@hotmail.co.uk) (When booking please state your name, age and level)

Family and friends are very welcome to attend the performance.

Bring your instrument and a music stand.
